As a loved one ages and their care needs change, what do you do? Who do you turn to?

Meet **Senior Care of Arizona**—a concierge care consulting company specializing in finding the best care solutions. Recently honored as *Arizona's Top Senior Care Provider*, we are your no-cost, one-stop resource for navigating life's aging journey.

With over 70% of adults over 65 needing long-term care in their lifetime, the uncertainty of where to turn can be overwhelming. That's where we step in. Senior Care of Arizona offers in-person guidance with compassion, expertise, and clarity—completely free of charge.

Founded by **Candice Dutton**, a Master's-level social worker with over 20 years of healthcare experience at Mayo Clinic Hospital and Barrow Neurological Institute, and **Corey Miller**, who has served seniors and their families for more than two decades, our team brings both heart and experience to every interaction.

"You call a doctor for illness, a financial advisor for money, or a lawyer for legal needs," says Candice. "For your loved one's care, you call us."

Our concierge care consultants connect families with over **2,000 vetted care options** across Arizona—from **assisted living, memory care, independent living, assisted living homes and in-home care**—each tailored to your loved one's unique needs.

We meet you in person, listen to your story, and walk beside you every step of the way. Our mission is to ensure dignity, comfort, and confidence in every care decision.

We at **Senior Care of Arizona** are your partners in the journey of aging—committed to locating the care you want for the people you love.
